The Third Sunday after Pentecost

From the Wardens

Help is needed in our community garden. This ministry provides fresh produce to the Kent and Sharon food banks. At the moment, it is a ministry of one -- Jake Fricker, who has planted the garden. Now it needs watering and weeding. This is an important ministry that does not require much time or effort especially if you live in Kent and if there are enough ministers. Plan a weekly stop- or even just one week this summer -- for watering and weeding at the garden next to Kent Center School. Please email Jake at el3lsjf@gmail.com or KC at office.sa.kent@gmail.com so we can continue this ministry.

As we head into summer, other things are happening at St. Andrew's. As mentioned last week, the regular choir takes its summer break, although Susan arranges some choral and solo pieces throughout the summer. As of the first Sunday in July, there will be no coffee hour hosting, but iced tea and cookies will be provided after the 10:30 service for social gathering. Please drop off store-bought cookies as we have done in the past. Weather permitting, we will enjoy the refreshments and fellowship on the rectory lawn. Tag sale preparations begin in earnest in the parish hall as described later on in this Epistle. And this July having completed our discernment process, our posting for a new rector will be up as we enter a new stage of our search. We ask you to

pray for our vestry and our parish:

God of love, in this time of change, we pray for our parish family, that we may be genuine in our self-reflection, tireless in our commitment, patient in our discernment, loving in our communion, open in our search, imaginative about our future, and daring in our faith. As we enter into this new era, we are comforted and strengthened by your presence and abounding love. We thank you for the gifts, talents, and skills with which you have blessed us. We thank you for the experiences that have brought us to this moment. Be with us as we move forward, rejoicing with you and supporting one another. All this we pray through Jesus Christ our Lord. Amen.

A Note from Gail Lebert, Transitional Consultant

Greetings People of St. Andrew's,

Thank you for the generous hospitality yesterday. What a wonderful turnout there was as about 50 people joined in a discussion of St. Andrew's future. The table conversations and the sharing of strengths, challenges and ways to fully live into the definition of the Missional Age will be helpful as the Vestry completes the paperwork to call a new rector. I really appreciated that people were respectful as they shared and listened to each other. There were some great new ideas. I encourage you to continue to pray as the community walks through the transition time, all in God's hands. Please feel free to reach out to me. I always value feedback and also will try and answer questions too! And..... I enjoyed the worship service, the wonderful music, and the delicious coffee and treats too.

Blessings,
Gail Lebert

Northwest Region Mission Council representatives are ex officio members of the NWRLT Team. Mission Council representatives commit to participating in NW Region Leadership Team meetings, held on the First Sunday of each month at 1:30pm unless otherwise announced, and other events and projects as determined by the NW Region Leadership Team and/or the direction of our Bishops(s).

A Brief Introduction

The Episcopal Church in Connecticut (ECCT), gathered in its 231st Annual Convention (2015), adopted a series of canonical resolutions to support the recommendations offered by the Taskforce for the Reimagining of the Episcopal Church in Connecticut (TREC-CT).

TREC-CT had spent nearly two years engaging with Episcopalians across Connecticut, pondering how we might, as a diocese in the 21st century, respond to the rapidly changing world around us. We asked ourselves, “how *do* we “travel lightly together, follow Jesus into our neighborhoods (Luke 10), and more faithfully participate in God’s mission of restoration and reconciliation?”

As a result of Convention’s vote, we moved from 14 Deaneries to six Regions, and from deanery representatives to Mission Council team members, one lay and one ordained, selected by each Region.

A schedule for team member service was established, which provides a three-year rotating selection process whereby one corridor of our Regions (West, Central, or East) selects Mission Council members and their alternates to serve a three-year term and presents these names at our Annual Convention. In 2023 Annual Convention will be held October 27-28.

In 2023, the Northwest Region will gather in a virtual Region Convocation to formalize the selection of its team members to serve on ECCT's Mission Council ahead of our annual fall convention.

Eligibility Guidelines

Each Region is tasked to select two members, one from each order (lay and ordained), to serve on ECCT's Mission Council. These guidelines will help individuals discern their eligibility to stand for selection and members will be affirmed at our upcoming Region Convocation. In addition, your Region will select one alternate for each order, which allows the alternate to serve the remainder of a team member's term only when the team member is no longer able to serve.

Note well: an alternate team member does not serve if a Mission Council team member is absent from a particular meeting. The intention is for all Mission Council team members to commit to their term of service and participate fully in the work, including:

- being onsite for all in-person meetings;
- participate in at least one Mission Council committee or board;
- arrive fully prepared, having thoroughly reviewed all background materials;
- and participate in all quarterly gatherings, the annual work day, and any additional needs (non-quarterly gathering digital votes, virtual gatherings, etc.).

However, sometimes life gets in the way; and if this occurs, rather than an alternate stepping in, the member is expected to follow up with other members and become fully apprised of what happened (*e.g.*, during the morning gathering and subsequent meeting of the Mission Council each quarter).

Lay Member Eligibility

Each Region will select one layperson to serve as a member of the Mission Council. In addition to being willing to commit to an annual workday, quarterly gatherings, and a three-year term, the layperson:

- Is a voting member of a parish or worshipping community within the Region;
- Will commit to and work for the good of the whole of ECCT through the faithful use of our shared life and resources, and not merely to “represent” a particular Region, parish, or worshipping community;
- May not be in the ordination process or currently discerning a call to the diaconate or priesthood;
- May serve on behalf of one Region only;
- Does not currently serve on Standing Committee or the Commission on Ministry; and

- Does not serve ECCT as a staff member of The Commons or Camp Washington.

Clergy Member Eligibility

Each Region will select one clergyperson to serve as a member of the Mission Council. In addition to being willing to commit to an annual work day, quarterly meetings, and a three-year term, the clergyperson:

- Must be in good standing and canonically resident in Connecticut;
- Must live within or serve a parish or worshipping community within the Region;
- May serve on behalf of one Region only;
- Will commit to and work for the good of the whole of ECCT through the faithful use of our shared life and resources, and not merely to “represent” a particular Region, parish, or worshipping community;
- Does not currently serve on Standing Committee or the Commission on Ministry; and
- Does not serve ECCT as a staff member of The Commons or Camp Washington.

Mission Council Committee and Board Service Opportunities

Closing Parish Committee

The Closing Parish Committee works with the Bishop Suffragan to support parishes that are engaging legacy planning and the closing parish process. This committee helps to ensure that the Closing Parish Protocols are completed in an efficient and pastoral manner, and with the Canon for Mission Collaboration, placing particular emphasis on the discernment within the communities about the ongoing life of parish properties.

Donations & Bequests

Donations and Bequests for Church Purposes, Inc. (D&B) was established in 1863 to safeguard and invest trust and long-term funds held by parishes and organizations in the Episcopal Church in Connecticut. D&B invests these funds in The Episcopal Investment Fund of Connecticut.

Faith and Order Committee

Formerly known as Constitution and Canons, oversees modifications to ECCT’s Constitution and Canons; and reviews resolutions before our Annual Convention for procedural accuracy and clarity, and considers organizational questions about the diocese.

Finance Committee

The Finance Committee works with the Canon for Mission Finance & Operations to oversee ECCT’s accounting and financial operations, property management, human resources, information technology services, and other administrative and operational needs.

Insurance Board

for ECCT employees, properties, and parishes.

Intentional Episcopal Communities Committee

The Intentional Episcopal Communities Committee works with the Bishop Diocesan to encourage the creation of different forms of intentional, residential community living, committed to cohesion and teamwork while remaining true to the Episcopal tradition and participating fully in the life of ECCT as we join Jesus in this new missional age.

Leadership Gathering Planning Team

The Leadership Gathering of members from the Mission Council, Commission on Ministry, board of Donations & Bequests, and Standing Committee is held once each quarter on a Saturday. This team plans the content and agenda for the morning portion of the day, when all bodies gather together for dwelling in the Word, learning, worship, and lunch.

Property Committee

The Property Committee, in conjunction with the Canon for Mission Finance and Operations and the ECCT Property Manager, oversees the care of ECCT properties, including vacant church buildings. In addition, this committee serves as a resource to parish property committees.

Recruitment Committee

The Recruitment Committee works with the Secretary of the Diocese to enlist talented, competent, diverse candidates for elected and appointed positions within the Episcopal Church in Connecticut.

Task Force for the Region Entrepreneurial Fund

Assisting the bishops and Canon for Mission Collaboration, this committee will develop a process by which those resources raised through the Joining Jesus in a New Missional Age campaign and designated for the support of life within our Regions shall be disbursed.

Trinity South Norwalk Fund Committee

The Trinity South Norwalk Committee oversees the Trinity South Norwalk Fund. These financial resources are available to Norwalk area parishes as designated by the Fund, which was created in 1974 after a fire destroyed the century-old Trinity Episcopal Church in South Norwalk.

Gas Cards Needed for Kent Social Services

Our town Social Worker, Samantha Hasenflue, asked whether St. Andrew's members might like to purchase prepaid gas cards at the Mobil station, which she would give to needy Kent residents who have to drive to medical appointments outside of Kent. Some people are really feeling the impact of rising food and fuel costs, and an extended drive to seek medical care puts strain on already tight budgets.

If you would like to help in this way, please place the gas card in an envelope, labelled "Kent Social Services" and put it in the offering plate. Thank you!

Help Support the Kent Food Bank

Please help our parish family continue to support of the Kent Food Bank by sending a check in any amount to:

Kent Community Fund
P O Box 262
Kent, CT 06757
memo: Food Bank

These funds will be used to purchase vouchers for local families in need, under the direction of Kent's new Social Services Director, Samantha Hasenflue. In addition, it is useful for the Director to have IGA gift cards to give to families who are in need. Please consider purchasing a card, for \$25 or \$50, and taking it to Samantha's office in Town Hall, or placing it in the offering plate, marked for the food bank.

The Kent Food Bank also accepts food donations. They are especially in need of staples such as **beans, rice, tea, coffee, sugar, nuts, hot & cold breakfast cereals, peanut butter, jellies, jams and tuna**. Make certain that the 'Best by ...' dates are not past! Please remember that the Food Bank accepts pet foods as well!

You may drop off food items on Fridays from 10:00 am - 12:00 noon in the back of the Community House on Main Street.
