Saul, The First King of Israel

St Andrew's Current COVID Status

THE PARISH IS OPEN. At its meeting on 16 May, the vestry decided, in accordance with the latest guidance from the CDC and at the recommendation of the priest-in-charge and the wardens, to more fully open the parish for worship, as follows:

- If you **are** fully vaccinated, you may attend worship without wearing a mask or maintaining social distancing, but you may do so if you choose to
- If you **are not** fully vaccinated, we request that you *either* wear a mask and maintain social distancing *or* attend our outdoor worship (Sundays at 12:30)
- We will **not** resume congregational singing at this time

In addition, it is no longer necessary to sign-up in advance to attend worship, but we will record the names of those who attend, in case contact tracing becomes necessary.

We will continue to livestream our 10:30 liturgy on Sundays and our mid-week services, as there are parishioners who are choosing not to be in group settings at this time—a decision the parish fully honors and supports.

From Father Douglas

Dear People of St Andrew's Parish,

I hope you are doing well. I have to say how wonderful it was to see ... and be part of ... my first Kent Memorial Day parade this past Monday. The town is opening up more and more, and Jim and I are so enjoying getting to know it as it *really* is!

Speaking of opening up, as life here at St Andrew's also evolves back toward pre-COVID norms, there are several opportunities to participate in the life of our parish that I'd like to draw to your attention:

- **Coffee Hour:** We have resumed coffee hour after the 10:30 service every Sunday, and we now need volunteers to make the coffee and provide the goodies each week. There is a sign-up sheet for the summer months in the kitchen. Please consider helping out with this wonderful time of fellowship.
- **Community Garden:** Our master gardener Jake Fricker reports that our six plots in the Kent Community Garden are all planted. They now need regular weeding and watering. (There is a hose on-site.) If you are in the area, please swing by and spend a few minutes tending to our harvest for those who are hungry in Kent and Sharon. No need to sign up – just come on by!
- **Bible Study:** Our Bible study group has decided to move to in-person meetings, at 11:00 am, two Mondays a month. We are just about finished with our study of the Gospel of Mark and will soon be moving on to the Book of Genesis. This is a terrific time to join this group if you'd like to delve more deeply into Scripture ... and we have a good time while we're at it, too!
- **Children & Families:** Our Visioning Team is hard at work, thinking and dreaming of things for us to explore as we enter the next phase of our life as a community of Christ. One thing we've noted, for sure: We need to offer more for families with children and youth. The vestry discussed this a few weeks ago, and Chris, Randy and I are all committed to understanding what would be fruitful *and* doable ... and to helping St Andrew's 'try on' something(s) in this space. If you have ideas—or better yet, if you would be willing to contribute some time—to this essential part of being a parish, I would be delighted to hear from you.
- **Food Insecurity:** The Northwest Corner of Connecticut is home to more hunger and food insecurity than many may realize. Several of us recently attended a workshop to learn how we can do more to help our neighbors who do not have enough to eat. If you'd like to join this ministry as we seek to expand it, I would be very happy to speak with you about it.

I hope you will consider how one or more of these opportunities may be a pathway for you to re-enter (or enter more fully) the rhythm of life at St Andrew's. And, stay tuned for others!

Finally, I think it is really good for parishioners to hear from their wardens on a regular basis. To this end, Chris Rehkow and Randy DiPentima have each graciously agreed to write this column once-a-month. Watch this space next week for Chris' first column!

Take good care, and may God continue to bless the work of the Kingdom you are doing.

In the peace and love of Christ,
Douglas+

IT'S BACK: COFFEE HOUR

We have revived a cherished St Andrew's tradition: coffee hour after the 10:30 liturgy. It is wonderful to be out on the lawn, enjoying a cup of something and sharing a time of fellowship. It is not for nothing that the earliest Christian churches not only worshipped together but also ate together!

Going forward, we will ask for a couple volunteers to take each Sunday. There will be a sign-up sheet available for the summer months, as well as some pointers on how to 'do' coffee hour. Please consider signing up!!

MEET OUR NEW PARISH ADMINISTRATOR: KC COMPTON

We are delighted to announce that KC Compton has joined us as our new Parish Administrator. She is highly capable, outgoing and eager to get to know everything St Andrew's. Here is a brief introduction she created so we can get to know her a little:

"Hello! My name is Kimberly (but known by most as KC), and I'm very excited to be joining the St. Andrew's community as Parish Administrator. I spent over a decade in NYC as a performer, but also worked in the marketing and business development fields for clients such as the New Meadowlands Stadium, Citi Field and the Freedom Tower. I own a horse farm in nearby Wingdale, NY, and have been an equestrian since early childhood. Currently, I compete in Eventing (the triathlon of equestrian sport) with my Thoroughbred, Zeus. I share my life with my fiancé Herman, two children Lyra (8), and Troy (5), and future stepdaughters Ava (11), Kelsey (10), and Lexi (8). I'm looking forward to meeting you all, and very much appreciate the warm welcome from so many of you already."

If you are in town, please consider stopping by and saying hi to KC. Her hours are Tuesdays and Thursdays, 10:00 – 2:00. You can also reach her via email

EXPLORING A POSSIBILITY: A COVID Survivors Group

As we (hopefully) begin to emerge from the throes of the pandemic that has beset us these last fourteen or fifteen months, we are also aware that COVID has affected some of us very deeply, in lasting ways. Some of us are suffering from so-called "long COVID," in which sequelae of the virus linger on and on in our bodies. Some of us have lost loved ones and dear friends to this relentless foe. And some of us may be wondering why we recovered while others didn't. All of these are difficult, poignant—and also very natural—questions that it may be beneficial ... and perhaps spiritual ... to explore in a small group.

Therefore, we would like to explore the level of interest in bringing together a COVID survivors group. This would be a small group, with a trained facilitator to guide it, that would come together to ask the difficult questions; share the deep emotions; and support and care for one another. If this is a mutual ministry you would be interested in, please contact Fr Douglas.

FROM THE NATIONAL CHURCH: Our Annual Appeal

In The Episcopal Church, we have long been taught to let our actions speak for

our faith. As the Presiding Bishop's canon for Evangelism, Reconciliation, and Creation Care, it has been my joy to invite and equip Episcopalians to witness boldly *and* to match words with our loving deeds. Words matter now more than ever, and thanks to the work of a creative and committed team, we have invited thousands of individuals and congregations to claim the ministry for themselves.

Presiding Bishop Michael Curry is, of course, our C.E.O. – that is, the Chief Evangelism Officer. He is out front inspiring people to grow in love for God and one another. As his team, we partner with leaders across the church to spread that Jesus Movement and to help people gain confidence as they share and welcome stories of God's lively, risen presence with humility, curiosity, and hope. Through the *Way of Love* and many related resources, podcasts and video series, we help Episcopalians to take up a rule of life that leads us to practice Jesus' way in the world. Through the *Episcopal Revivals*, dozens of dioceses and communities have shared in prayer, renewal and public proclamation of God's love. Through the *Embracing Evangelism* video course, we see people gaining confidence as they share and welcome stories of God's presence and invite people to deeper relationship with God. Amid the COVID-19 pandemic, we have partnered with friends in Creation Care to introduce the *Good News Gardens*, and partnered with the Reconciliation and Justice Team to launch "*From Many, One*": *Conversations Across Difference*, an effort that brings people together for one-to-one conversations about the things that matter most. This Pentecost, we gathered a team from six dioceses to host a churchwide revival that sent Episcopalians everywhere to live their faith out loud – in song, in testimony, and in deeds.

These transformative ministries that include numerous programs, webinars, podcasts, resources, concerts, and conversations are possible because people like you supported The Episcopal Church and Bless Annual Appeal.

Please support this vital work and the work of our siblings across the church – from Creation Care to Young Adult Service Corps. Please make your gift today. You can give by calling (800) 334-7626, ext 6002, or online at iam.ec/bleessgiving.

Your gift helps us to bring the work of seeking, naming, and celebrating our risen Lord to the world. I invite you to join us on this journey.

God bless you on the journey we share,

The Rev Cn Stephanie Spellers
Canon to the Presiding Bishop for
Evangelism, Reconciliation and Creation Care
