

Dear Friends,

We invite you to learn about our beloved church of St. Andrew's through the following profile of the parish.

The profile provides an understanding of how we worship and endeavor to live and spread God's grace. The profile includes a brief history of our New England parish, our worship practices, our people and our facilities, our many activities and the lively and charming small town of Kent, CT.

We have tried to express who we are as a parish and our vision for the future. In describing what we seek in a new rector, we pray for a mutual calling which will enable our new rector and St. Andrew's to grow together in love and service as we do God's work.

We hope that the faith, fellowship and joy that we share among ourselves and with our community shines through the profile of our parish.

We welcome the opportunity to discuss St. Andrew's, past, present, and, most importantly, future, with you. We are eager to build on our current strengths to grow and flourish in God's love and serve Him.

Thank you for your interest in exploring our next chapter with us.

In God's love and service,

St. Andrew's Vestry
