Leah Pullaro, the Director of Social Services in Kent, has just let each of the congregations know that this can no longer happen and that we will now be responsible for bringing our donations to the Kent Food Bank (on the lower level of the Community House). The drop-offs can occur on Thursday morning at 10.00 and on Friday mornings, 9.00 - 9.30. In addition, we will need to inspect the donations in order to ascertain that the containers have not been opened and that the 'Best by' date is not in the past.

And so we need to find a volunteer (or several!) to step up and offer to check the donations gathered in the basket in the narthex (on the window sill just opposite the stairs to the bell tower) and then deliver them to the Community House. Please call or stop by the Parish Office and let Heather know if you can help.

Leah's note provides an occasion to remind ourselves that the basket for donations of food is in the narthex, and that it needs to be used! An easy and thoughtful way to help those who do rely on the Food Bank --in particular as the colder weather approaches-- is to bring a can, or several cans, of soup with you to church. Or a jar of peanut butter .... Or a couple of boxes of tea bags .... Etc., etc., etc.

All of the food banks in Litchfield County are well-used by the many who need the help, and the one in Kent is no exception. The hungry are very much in our midst, and keeping Food Bank well-supplied is a graceful thing to do ....

Faithfully,  
Roger

## Giving thanks for the ministry amongst us of the Reverend Steve Klots

Just under three and one-half years ago, the sacristy of St Michael's Chapel at South Kent School was all but destroyed by a fire that started accidentally. A member of the faculty, walking past the building at midnight, smelled the smoke and sounded the alarm, and the KVF D arrived promptly with backup from Gaylordville. The entire chapel could have gone up in flames, but for the efforts of our local firefighters.

There was extensive smoke and water damage throughout the building and so the chapel was closed for months and the organ sent out for repair. The contents of the sacristy --where vestments, Communion ware, etc. are stored-- were a complete loss, and in the months that followed, ordained alumni contributed vestments that they no longer used and one of the classes of the alums presented the school with a new set of Communion silver. A year ago April, Bishop Douglas came to South Kent and rededicated the completely and beautifully refurbished chapel, and its wonderfully restored organ, played by

**Randy Osolin,

Tom Holcombe, sounded out mighty hymns as a large congregation sang along.

On the night of the fire, the Chaplain of the school, Steve Klots, ministered generously to the community, offering to those stunned spectators who wanted it, Communion from the Reserved Sacrament that the firefighters had rescued from the aumbry near the high altar; and thereafter he kept the regular worship of the school going through months of conducting services in a less-than-ideal space.

Steve lost some personal items in the blaze, and we quickly offered to replace the leather-bound Prayer Book & Hymnal that his sponsoring parish had given him when he was ordained deacon, as well as the tippet --the black scarf worn at Morning Prayer and at Evensong-- that had been decorated with the patches of both his seminary (the Berkeley Divinity School at Yale) and of South Kent School itself.

Replacing the patch of South Kent School turned out to be more difficult than expected, for it had changed a couple of times since Steve first arrived there, almost thirty years ago .... We kept looking, putting out requests; and, although there were several kind offers, no one was able to produce quite the right version of the patch.

And so finally we are simply going to present Steve with the Prayer Book & Hymnal, and a new tippet with the Berkeley/Yale patch on one end and the current SKS patch on the other. If anyone knows where one of the older ones might be found, please let Steve know and we can have it sewn onto his tippet as well; in the meantime Steve has waited long enough for the things that meant so much to him to have replacements.

We shall be giving the book and tippet to Steve, from all of us, at 10.30 a.m. on Sunday, 15 September. Please plan to attend and give thanks for Steve's wonderful ministry at South Kent School and among us in St Andrew's Parish.

### **A Prayer for Change**

This prayer has been used several times since this summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

#### **A Prayer for Change**

*Loving God,  
You have made the whole of human life in your image;  
each one of us shaped in love.  
Your goodness is ever-present within us all.  
But, there is so much evil and pain in our world,  
it comes at us from every direction.  
Teach us how to rediscover Your love within us,  
to use that love as a force for good.  
help us to turn our hearts toward the world in hope,  
Praying for each other, regarding each other as treasure.  
Join us all together in prayer, that we might be the light which  
darkness can never overcome;  
through Jesus Christ we pray.  
Amen.*

# Kent School Guild of Change Ringers

The ten bells of St. Joseph's Chapel at Kent School are hung for **change ringing**, a form of bell ringing first popularized in England during the 17<sup>th</sup> century. Ringers memorize striking patterns and practice putting them together into compositions.

- Guild practices are held the second and fourth Sundays of the month,<sup>1</sup> from 3-5 pm.
- Guild members also regularly travel to towers throughout the Northeast,<sup>2</sup> and occasionally overseas.<sup>3</sup>
- All levels of experience and ability are welcome! New ringers can join any regular practice.
- Contact Matthew Austin, Tower Captain, with any questions: [austinm@kent-school.edu](mailto:austinm@kent-school.edu).

<sup>1</sup> Thanksgiving and Christmas occasionally intervene.

<sup>2</sup> There are ~48 towers in North America, 14 on the Northeast corridor.

<sup>3</sup> There are ~5000 towers in England: in recent years guild members have rung towers in Amersham, Birmingham, Exeter, London, Oxford, Radley, Shiplake, and Worcester, among other locations.
