Refreshments after the 10.30 a.m. Liturgy

There is a sign-up sheet on the pass-through into the kitchen for volunteers to be responsible for both brewing the coffee and bringing light refreshments.

Included with the sign-up sheet are Instructions on "How to do Coffee Hour" with where to find supplies and instructions for coffee brewing...makes it really easy!!

During the time of transition between rectors, Coffee Hour is an especially important time for members of the parish to be together: please help by bringing in some coffee cakes, cookies, &..., to make the social time more enjoyable!

The Prayer List During the Time of Transition

During the transition time, Heather Scofield, our Administrator, will be maintaining the parish Prayer List. Please call her and ask her to add names to the list, remembering to tell her at which service --8.30 or 10.30-- you would like the prayers offered. If possible, please indicate for how she should keep the name(s) on the List. And please remember to let her know when she may remove the name(s).

***You may also write to Heather at
st.andrew.kent@snet.net
Please be sure to provide her with a telephone number so that she may be able to ask if she has any questions.***

We remember the faithful departed during the week after their deaths, and on those Sundays when you ask for their names to be included.

A Prayer for Change

This prayer has been used several times since this summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

A Prayer for Change

*Loving God,
You have made the whole of human life in your image;
each one of us shaped in love.
Your goodness is ever-present within us all.
But, there is so much evil and pain in our world,
it comes at us from every direction.
Teach us how to rediscover Your love within us,
to use that love as a force for good.
help us to turn our hearts toward the world in hope,
Praying for each other, regarding each other as treasure.
Join us all together in prayer, that we might be the light which darkness can never
overcome;
through Jesus Christ we pray.
Amen.*

Holy Cross Monastery

A Message from Trinity Episcopal Church in Torrington, CT

Your humble Messenger editor recently spent two wonderful nights at [Holy Cross Monastery](#) and while he feels it is one of the best kept secrets, he also feels compelled to share this place with you, the faithful reader.

Located in West Park NY, on the western bank of the Hudson River, and only 90

minutes from Torrington CT, Holy Cross Monastery is home to about 20 Episcopal Benedictine monks who seriously practice hospitality - they run a guesthouse where all are invited to worship with them (or not), break bread with them, and find God in the peace of their surroundings.

People are invited stay at the guesthouse - single rooms are available for about \$85 on weeknights and \$100 on weekends - these are suggested donations, and you can make arrangements for payment assistance. They also have a full list of retreat options, too. This summer, I attended a poets retreat that was great.

With all these retreats, there is time to gather with others, but also time to reflect, to rest, and to do what the Spirit calls you to do.

You can worship with them, or not - there is no obligation. In their beautiful yet simple chapel, they chant during 7am Matins, 9am Eucharist, noon Diurnum, 5pm Vespers, and 8pm Compline.

Three meals are served each day by a chef who attended the Culinary Institute of America - the food is divine! While you eat breakfast or dinner, you might see deer through the windows that overlook their backyard.

The monks observe Great Silence after Compline and until 8:30 in the morning, so it is a truly peaceful place.

You can hike some beautiful trails along the Hudson, or visit nearby towns such as New Paltz and Kingston. You can read, pray, nap, knit, puzzle, visit their gift shop, or do what you desire, so long as you are respectful of the peace. During our most recent visit, I enjoyed reading and hiking, my wife also read and napped, and my teenage daughter listened to music with her ear buds while sketching. We also took in a movie in Kingston and shopped in New Paltz.

Here at the monastery, there is a delightful quiet. It is restful and rejuvenating. It is an easy place, where you can do as you wish.

If you would like more information about Holy Cross Monastery, please contact me, and I would be happy to share more with you.

I'm wondering, too, if there is interest in going on a guided retreat together as a group - I know that about ten years ago, some folks from Trinity Torrington used to go on retreat there, but then the numbers dwindled. Please see email me if you might be interested in this, too.

And feel free to share this email with anyone who might be interested in visiting [Holy Cross Monastery](#)! Just click this button.

Kent School Guild of Change Ringers

The ten bells of St. Joseph's Chapel at Kent School are hung for **change ringing**, a form of bell ringing first popularized in England during the 17th century. Ringers memorize striking patterns and practice putting them together into compositions.

- Guild practices are held the second and fourth Sundays of the month,¹ from 3-5 pm.
- Guild members also regularly travel to towers throughout the Northeast,² and occasionally overseas.³
- All levels of experience and ability are welcome! New ringers can join any regular practice.
- Contact Matthew Austin, Tower Captain, with any questions: austinm@kent-school.edu.

¹ Thanksgiving and Christmas occasionally intervene.

² There are ~48 towers in North America, 14 on the Northeast corridor.

³ There are ~5000 towers in England: in recent years guild members have rung towers in Amersham, Birmingham, Exeter, London, Oxford, Radley, Shiplake, and Worcester, among other locations.
