From the Senior Warden

Hi All,

I hope everyone is enjoying the summer so far. As you all know our new Priest-in-Charge, Douglas Worthington and his husband Jim Hall will be coming to Kent and moving into the rectory in late July. He will begin conducting services at St. Andrews on Sunday, August 2nd.

We want to make sure that Douglas has a chance to meet as many of you as possible over the first two weeks in August. We are discussing possibly having multiple services with small outdoor receptions so that everyone can feel safe while we warmly welcome Douglas to St. Andrew's. Please contact Charmian, me or any one of the members of the vestry with any ideas and suggestions.

Christopher Rehkow
Senior Warden

Wednesday & Friday Evening Services

At a time when parishioners are wisely cautious about social distancing, we're reminding folks of other worship opportunities at St. Andrew's.

On Wednesdays at 6:00 pm, we offer Evening Prayer, often lead by Steve Klots, who always does a homily worth showing up for. There's usually only a small number of people who attend and no group singing (or even humming!). It's just a quiet gathering of people for reflective, end-of-the-day prayer and the chance to spend a half an hour inside the church we love.

On Fridays at 5:30 pm, we offer a Meditation Service at which, usually, just a few folks gather to quietly recite three small prayers, then sit together in reflective silence for 20 minutes. It is a nice meditative way to end the week. And, at a time of separation, it's a blessing just to sit in the sacred space of the church and absorb the spirit of the place.

"We give you thanks, O God, for the gifts of your people, and for the work of many hands, which have beautified this place and furnished it for the celebration of your holy mysteries...."

--The Book of Common Prayer ("Prayer for Consecration a Church")

"For when two or three are gathered in my name, there I am with them. "

--Matthew 18:20

**How to Be an Antiracist
by Ibram X. Kendi**

A prayer from the Reverend Nadia Bolz Weber

*Dear God,
Everyone's exhausted right now: parents, activists,
cashiers, people who are just now actually learning
about systemic racism, delivery drivers, the
unemployed, the chronically sick, ER nurses, those who
fear the police, the elderly, performers with no hope of
an audience any time soon, clergy, social workers, those
who can't make their rent, and everyone who has to
spray something down with disinfectant for the 1,000th
time.*

*Teach us to rest, Lord.
Help us dial back our obsession with productivity. Raise
up more helpers for those who are over-extended Lord -
stir up the desire to serve in those who only take.
Remove barriers to napping. Quiet babies for an hour so
those new mamas can sleep. Make us aware of any new
binge-able NETFLIX shows that might help. Give
employers the will to grant extra paid mental-health
days. Quiet those voices that tell us we should be doing
more right now, especially the ones that come from
inside of us. Teach us not to confuse respite with
laziness. Increase our compassion for one another. And
while you're at it, increase our compassion for
ourselves.*

Lord, in your mercy, hear our prayer.

Adding to the Prayer List

During the transition time, Heather Scofield, our Administrator, will be maintaining the parish Prayer List. Please call her and ask her to add names to the list, that you would like the prayers offered.

And please remember to let her know when she may remove the name(s).

Except for the names we know to keep on the Prayer List on a long term basis, we will remove names after 3 months and ask that you resubmit if the names should remain.

*You may also write to Heather at

*Please be sure to provide her with a telephone number so
that she may be able to ask if she has any questions.*

A Prayer for Change

This prayer has been used several times since last summer at Eucharist and several of you have asked that we reprint it again. It was developed by The Women's Prayer Circle of St John's Church in North Guilford, as a reflection on the state of the world and how to bring God's love. Their hope is, as more people and churches use and share it, the prayer will create an energy that will be a force for loving change.

A Prayer for Change

*Loving God,
You have made the whole of human life in your image;
each one of us shaped in love.
Your goodness is ever-present within us all.
But, there is so much evil and pain in our world,
it comes at us from every direction.
Teach us how to rediscover Your love within us,
to use that love as a force for good.
help us to turn our hearts toward the world in hope,
Praying for each other, regarding each other as treasure.
Join us all together in prayer, that we might be the light which darkness
can never overcome;
through Jesus Christ we pray.
Amen.*
